

BESCHERMDE SOORTEN IN LELYSTAD

(Wet Natuurbescherming)

versie 04, oktober 2018

10-okt-18

| | |
|---|---|
| Wijkgroen | A |
| Gebouw | B |
| Berm / extensief grasland | C |
| Vaart / watergang > dan 2 meter / plas / rietland | D |
| Bos/struweel | E |
| Grote wateren (IJsselmeergebied) | F |

Voorkomen verwacht categorie:

| WNb §3.1 Beschermingsregime soorten vogelrichtlijn | | A | B | C | D | E | F |
|--|--|---|---|---|---|---|---|
| appelvink | <i>Coccothraustes coccothraustes ssp. Coccothraustes</i> | | | | | | |
| baardman | <i>Parnurus biarmicus ssp. Biarmicus</i> | | | | | | |
| bergeend | <i>Tadorna tadorna</i> | | | | | | |
| blauwborst | <i>Luscinia svecica ssp. Cyanecula</i> | | | | | | |
| blauwe kiekendief | <i>Circus cyaneus ssp. Cyaneus</i> | | | | | | |
| boerenzwaluw | <i>Hirundo rustica ssp. Rustica</i> | | | | | | |
| bontbekplevier | <i>Charadrius hiaticula ssp. Hiaticula</i> | | | | | | |
| boomklever | <i>Sitta europaea ssp. Caesia</i> | | | | | | |
| boomkruiper | <i>Certhia brachydactyla ssp. Megarhyncha</i> | | | | | | |
| bosrietzanger | <i>Acrocephalus palustris</i> | | | | | | |
| bosruiter | <i>Tringa glareola</i> | | | | | | |
| braamsluiper | <i>Sylvia curruca ssp. Curruca</i> | | | | | | |
| bruine kiekendief | <i>Circus aeruginosus ssp. Aeruginosus</i> | | | | | | |
| buizerd | <i>Buteo buteo ssp. Buteo</i> | | | | | | |
| fitis | <i>Phylloscopus trochilus ssp. Trochilus</i> | | | | | | |
| gekraagde roodstaart | <i>Phoenicurus phoenicurus ssp. Phoenicurus</i> | | | | | | |
| gele kwikstaart | <i>Motacilla flava ssp. Flava</i> | | | | | | |
| glanskop | <i>Parus plustris ssp. Palustris</i> | | | | | | |
| grasmus | <i>Sylvia communis ssp. Communis</i> | | | | | | |
| graspieper | <i>Anthus pratensis ssp. Pratensis</i> | | | | | | |
| grauwe vliegenvanger | <i>Muscicapa striata ssp. Striata</i> | | | | | | |
| groenling | <i>Carduelis chloris ssp. Chloris</i> | | | | | | |
| grote bonte specht | <i>Dendrocopos major ssp. Pinetorum</i> | | | | | | |
| grote zilverreiger | <i>Casmerodius albus ssp. Albus</i> | | | | | | |
| havik | <i>Accipiter gentilis ssp. Gentilis</i> | | | | | | |
| heggenmus | <i>Prunella modularis ssp. Modularis</i> | | | | | | |
| huiswaluw | <i>Delichon urbica ssp. Urbica</i> | | | | | | |
| ijsvogel | <i>Alcedo atthis ssp. Ispida</i> | | | | | | |
| kerkuil | <i>Tyto alba ssp. Guttata</i> | | | | | | |
| kleine karekiet | <i>Acrocephalus scirpaceus ssp. Scirpaceus</i> | | | | | | |
| kleine zilverreiger | <i>Egretta garzettassp. Garzetta</i> | | | | | | |
| koolmees | <i>Parus major ssp. Major</i> | | | | | | |
| kwartelkoning | <i>Crex crex</i> | | | | | | |
| lepelaar | <i>Platalea leucorodia ssp. Leucorodia</i> | | | | | | |
| nachtegaal | <i>Luscinia megarhynchos ssp. Megarhynchos</i> | | | | | | |
| oeverzwaluw | <i>Riparia riparia ssp. Riparia</i> | | | | | | |
| ooievaar | <i>Ciconia ciconia ssp. Ciconia</i> | | | | | | |
| pimpelmees | <i>Parus caeruleus ssp. Caeruleus</i> | | | | | | |
| putter | <i>Carduelis carduelis ssp. Carduelis</i> | | | | | | |
| ransuil | <i>Asio otus ssp. Otus</i> | | | | | | |
| rietgors | <i>Emberiza schoeniclus ssp. Schoeniclus</i> | | | | | | |
| rietzanger | <i>Acrocephalus schoenobaenus</i> | | | | | | |
| roerdomp | <i>Botaurus stellaris ssp. Stellaris</i> | | | | | | |
| roodborst | <i>Erithacus rubecula ssp. Rubecula</i> | | | | | | |
| snor | <i>Locustella luscinioides ssp. Luscinioides</i> | | | | | | |

| | | | | | | | | |
|-------------------|---|--------|-----|--|------|--|-------|------|
| sperwer | <i>Accipiter nisus ssp. Nisus</i> | yellow | | | | | green | |
| spotvogel | <i>Hippolais icterina</i> | yellow | | | | | green | |
| sprinkhaanzanger | <i>Locustella naevia ssp. Naevia</i> | | | | blue | | green | |
| torenvalk | <i>Falco tinnunculus ssp. Tinnunculus</i> | | red | | | | green | |
| tuinfluiter | <i>Sylvia borin ssp. Borin</i> | yellow | | | | | green | |
| visdief | <i>Sterna hirundo ssp. Hirundo</i> | | | | | | | blue |
| wielewaal | <i>Oriolus oriolus ssp. Oriolus</i> | | | | | | green | |
| winterkoning | <i>Troglodytes troglodytes ssp. Troglodytes</i> | yellow | | | | | green | |
| witte kwikstaart | <i>Motacilla alba ssp. Alba</i> | | red | | | | | |
| woudaap | <i>Ixobrychus minutus ssp. Minutus</i> | | | | blue | | | |
| zeearend | <i>Haliaeetus albicilla</i> | | | | blue | | green | |
| zwarte roodstaart | <i>Phoenicurus ochruros ssp. Phoenicuroides</i> | | red | | | | | |
| zwartkop | <i>Sylvia atricapilla ssp. Atricapilla</i> | yellow | | | | | green | |

WNb §3.2 Beschermings regime soorten habitatrichtlijn (niet-vogels)

Zoogdieren-landzoogdieren

| | | | | | | | |
|-------|----------------------------------|--|--|--|------|-------|--|
| bever | <i>Castor fiber ssp. Albicus</i> | | | | blue | green | |
| otter | <i>Lutra lutra ssp. Lutra</i> | | | | blue | | |

Zoogdieren-vleermuizen

| | | | | | | | |
|------------------------|----------------------------------|--------|-----|--|------|--|-------|
| gewone dwergvleermuis | <i>Pipistrellus pipistrellus</i> | yellow | red | | | | green |
| laatvlieger | <i>Eptesicus serotinus</i> | yellow | red | | | | green |
| meervleermuis | <i>Myotis dasycneme</i> | yellow | red | | blue | | blue |
| ruige dwergvleermuis | <i>pipistrellus nathusii</i> | yellow | red | | | | green |
| rosse vleermuis | <i>Nyctalus noctula</i> | yellow | | | | | green |
| tweekleurige vleermuis | <i>Vespertilio murinus</i> | yellow | red | | | | |
| watervleermuis | <i>Myotis daubentonii</i> | | red | | blue | | green |

Sporenplanten-bladmossen

| | | | | | | | |
|--------------|----------------------------|--------|--|--|--|--|--|
| tonghaarmuts | <i>Orthotrichum rogeri</i> | yellow | | | | | |
|--------------|----------------------------|--------|--|--|--|--|--|

Reptielen en amfibieën

| | | | | | | | |
|-----------------|--|--------|--|--|------|--|--|
| rugstreepdpad | <i>Bufo calamita</i> | yellow | | | blue | | |
| vroedmeesterpad | <i>Alytes obstetricans ssp. Obstetricans</i> | yellow | | | blue | | |

Vissen

| | | | | | | | |
|---------|-----------------------------|--|--|--|--|--|------|
| houting | <i>Coregonus oxyrinchus</i> | | | | | | blue |
|---------|-----------------------------|--|--|--|--|--|------|

WNb §3.3 Beschermingsregime Andere soorten

(Provinciaal vrijgestelde soorten zijn niet in deze lijst vermeld)

Amfibieën

| | | | | | | | |
|----------------------|-----------------------------|--------|--|--|------|--|--|
| alpenwatersalamander | <i>Mesotriton alpestris</i> | yellow | | | blue | | |
|----------------------|-----------------------------|--------|--|--|------|--|--|

Reptielen

| | | | | | | | |
|-----------|----------------------|--|--|-------|------|--|--|
| ringslang | <i>Natrix natrix</i> | | | green | blue | | |
|-----------|----------------------|--|--|-------|------|--|--|

Zoogdieren-landzoogdieren

| | | | | | | | |
|---------------|---------------------------|--|-----|-------|--|--|-------|
| boomarter | <i>Martes martes</i> | | | | | | green |
| edelhart | <i>Cervus elaphus</i> | | | | | | green |
| steenarter | <i>Martes foina</i> | | red | | | | |
| veldspitsmuis | <i>Crocidura leucodon</i> | | | green | | | |

Insecten - Dagvlinders

| | | | | | | | |
|-------------------------|------------------------------|--|--|-------|--|--|-------|
| Grote vos | <i>Nymphalis polychloros</i> | | | green | | | green |
| Grote weerschijnvlinder | <i>Apatura iris</i> | | | | | | green |
| Kleine ijsvogelvlinder | <i>Limenitis camilla</i> | | | | | | green |

Vaatplanten

| | | | | | | | | |
|-------------------|--------------------------|--|--|--|--|--|--|--|
| Wilde ridderspoor | <i>Consolida regalis</i> | | | | | | | |
|-------------------|--------------------------|--|--|--|--|--|--|--|
